“Straddling the line between soulful funk and country rock, *Good To You* cranks out good time tunes from the Crescent City, carrying the torch for forbearers like the Subdudes and Radiators.” – *Honest Tune Magazine*

“This New Orleans band comes on like some funky, blenderized mix of the Gourds, Little Feat, the subdudes, Mofro and Paul Thorn. Be good to yourself and get a copy of this one.” – *Playgrounds Magazine*

“Check out the best dueling guitar lick since Wilco's ‘Impossible Germany’ on the scorching opener ‘Chocolate Cake’.” – *Erik Deatherage, WTMD Baltimore*

“**Honey Island Swamp Band** doesn’t miss a beat on it’s latest effort, *Good to You*, a sweltering, sunstreaked affair that sneaks up on you like a slow-rolling breeze on a sticky, summer afternoon.” – *Offbeat Magazine*
