Honey Island Swamp Band

Best Blues Album, 2009 – *Offbeat Magazine*

“A jolly rocking, sweet, swampy set of travelin’, drinkin’ and lovin’ trouble songs. . . 50 minutes of catchy hooks and gen-you-wine blue-eyed soul from one of New Orleans' hardest working barroom bands.”

– *Chris Rose, New Orleans Times Picayune*

“Vintage country meets Gulf Coast boogie-woogie blues.” – *Bthesite, Baltimore Sun*

“Country rock in the vein of the Band, early Eagles, or Lynyrd Skynyrd – with a rhythm and blues edge – give a full mid-'70s sound to this fine record.” – *Offbeat Magazine*
